

Ricky stacks his blocks
UP HIGH.

Like a CRANE TRUCK reaching
the sky.

Ricky camps with friends nearby
Watching flames **LIGHT** up the sky.

If a fire gets too strong,
The FIRE BRIGADE comes right along!

Ricky plants, row by row.
Watch his little **GARDEN GROW!**

Just like **TRACTORS**, strong and bright,
Helping farms from day to night.

Ricky loves to keep
his room **NEAT AND CLEAN**.

like a **GARBAGE TRUCK** keeping
our city fresh and clean.

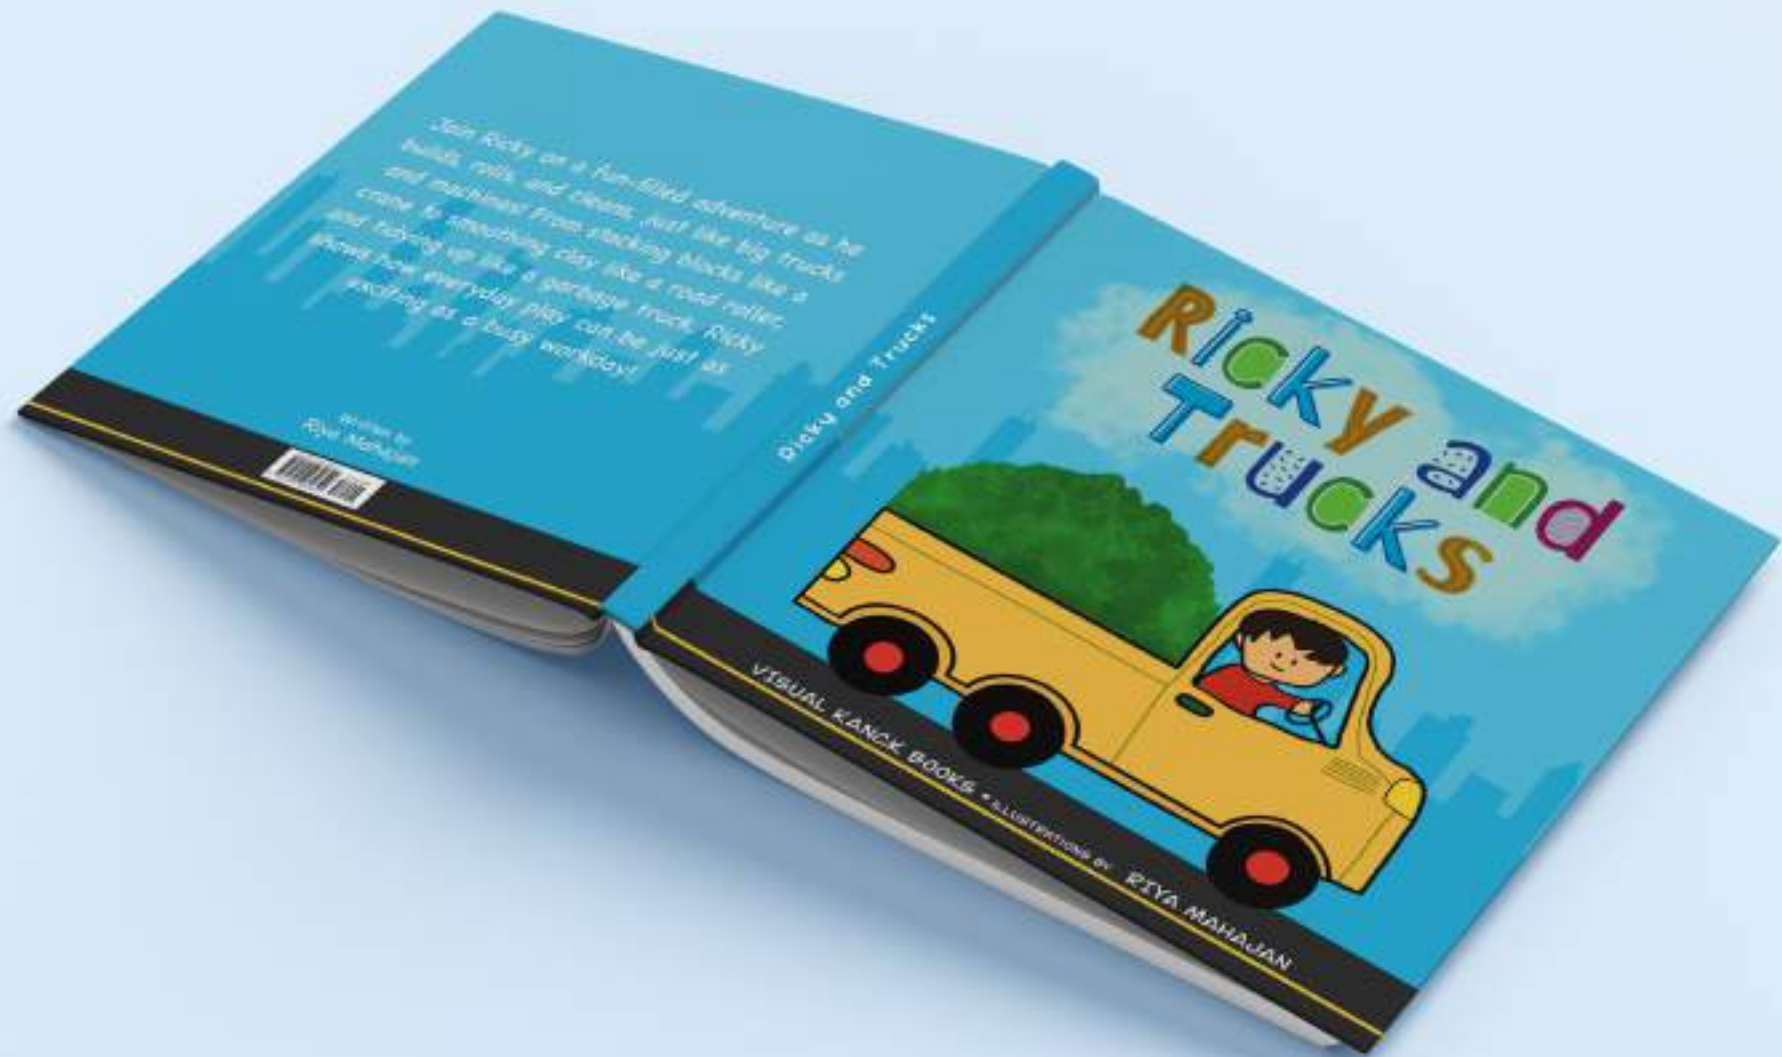

Ricky **SMOOTHS** the clay
each day.

Like a **ROAD ROLLER** paving
the way.

RUMBLE
TUMBLE

Join Ricky on a fun-filled adventure as he builds, milks and cleans, just like big trucks and machines! From stacking blocks like a crane to sweeping city like a road roller, and helping up like a garbage truck, Ricky shows how everyday play can be just as exciting as a busy workday!
